

High density housing drains our resources, damages our infrastructure, and undermines our zoning standards.

Despite this, the Avon Plan Commission is considering approval for Brookstone PUD.

Brookstone is a proposed development of 195 homes on 7,000 square foot lots with less architectural standards than required by our zoning ordinances.

The main entrances for these 195 homes would be directly onto two lane 100N just east of Our Shepherd Lutheran Church.

The builder is claiming this subdivision is a PUD (Planned Unit Development) and they do not have to adhere to Avon's zoning standards because the subdivision will have "curvilinear streets". This is ridiculous and does not meet the spirit or the letter of the law regarding the PUD ordinance and it's intention.

Avon Plan Commission

Monday
October 28, 2019
7:00 PM

Avon Town Hall
6570 E US Hwy 36
Avon, Indiana

Plan to attend the Avon Plan Commission on 10/28/19 and speak up.

During the meeting, there will be a public comment portion where you can express your opposition to this irresponsible development.
